

ESG Navigator empowers C-Suite executives and your teams to create a future-ready strategy –

- Know where your company stands *today* (vs. peers and ESG ratings)
- Build robust governance systems and strategy to create long-term value *tomorrow*

KNOW YOUR POSITION

- **Align** on ESG with C-Suite, functions, and businesses
- **Benchmark** peers & sector on 100 Key Sustainability Indicators

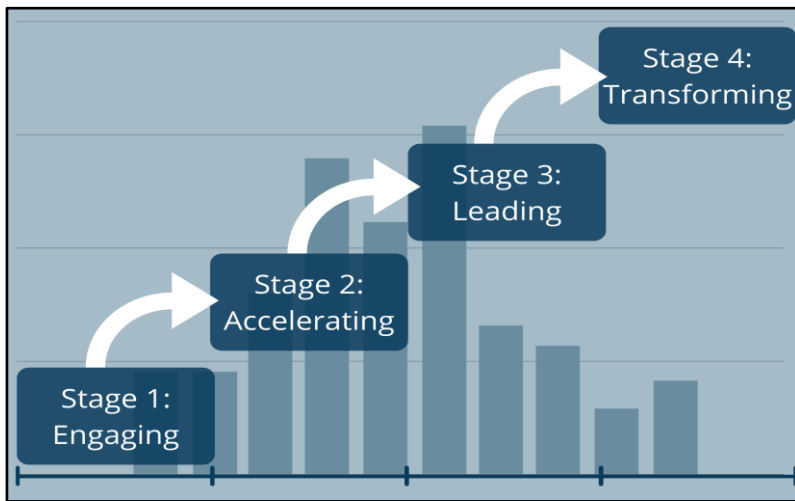

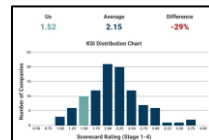

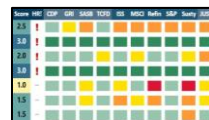

CHART YOUR COURSE

- **Improve** ESG ratings positioning
- **Learn** from 750+ *Best Practices*

NAVIGATE CHANGES AHEAD

- **Engage** with industry leaders
- **Pitch** to CEO and Board

Highlights

- Used by 100+ S&P 500 companies
- Shaped in boardrooms since 1997
- Crafted “*by industry – for industry*”

Value for Money

“We would pay \$500K+ for what ESG Navigator provides (for \$5K)”

Testimonials

Using ESG Navigator, we laid out a roadmap and took it to our board.

You can do it fast; see immediate results.

ESG Navigator provides insights that other frameworks simply cannot give.

We cannot let ESG ratings dictate our strategy.
