

Sustainable Growth NAVIGATOR

Rebranded from ESG Navigator following publication of *Navigating Sustainable Growth: A Roadmap for Boards and Corporate Leaders*

For further information
gib@esgnavigator.com
esgnavigator.com

The Navigator empowers C-suite executives and teams to *hard-wire* sustainability into business fundamentals and *drive value* creation –

- Know where your company stands *today* (on *both* data disclosed and on confidential business information)
- Build robust governance to drive operational integration and create long-term value

KNOW YOUR POSITION

- **Rate** your company on 100 KPIs
- **Benchmark** sector, sub-sector, “top 10”

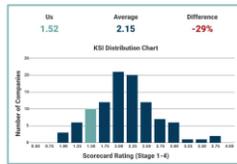

CHART YOUR COURSE

- **Align** C-suite, functions, and teams
- **Identify** gaps
- **Assess** importance

NAVIGATE CHANGES AHEAD

- **Learn** from 300+ Best Practices
- **Pitch** to CEO and board

HIGHLIGHTS

- Built by industry leaders. Used, honed, and vetted “*by industry – for industry*” since 2015
- Data from 150+ S&P 500 companies
- Shaped in boardrooms since 1997

VALUE FOR MONEY

“We would pay \$500K+ for what the Navigator provides for \$5K”

TESTIMONIALS

Using the Navigator, we laid out a roadmap and took it to our board.

You can do it fast; see immediate results.

It’s a simple tool using clear language to help you understand what good – better – best look like, and what’s expected of you as you progress.

It’s the bridge between materiality and strategy.

ENDORSED BY THE CONFERENCE BOARD

“The Conference Board’s 1,000+ corporate members can benefit from the power and elegant simplicity of the Navigator.”

Paul Washington, Executive Director
